01. **Background & Intended Outcomes**

National Digital Literacy Programme (NDLP)

BACKGROUND

Launched in March 2020 to **make digital learning inclusive** by equipping students with the digital literacies to be future-ready.

In 2020, MOE announced that every student will **own a school-prescribed personal learning device (PLD)** by end-2021.

INTENDED OUTCOMES

**Support the
Development of Digital
Literacies**

**Support self-directed and
collaborative learning**

**Enhance Teaching and
Learning**

Learning with PLD
